## SAFETY & GENERAL TRADING

Your Trusted Safety Partner

Quality | Reliability | Protection

INDIA | BAHRAIN | CHINA & We Operated World Wide

## Who We Are;

**MAK SAFETY AND GENERAL TRADING W.L.L** is a Bahrain-based company specializing in the supply of premium Personal Protective Equipment (PPE), industrial safety products, fire safety equipment, and general trading solutions. We are dedicated to supporting businesses with dependable products that enhance workplace safety, improve operational efficiency, and meet the evolving needs of modern industries.

Serving construction companies, manufacturing facilities, logistics providers, warehouses, oil & gas contractors, and commercial organizations, we deliver practical solutions backed by professional service, competitive pricing, and reliable product availability.

Whether you require everyday safety essentials or specialized industrial supplies, our commitment is to provide products you can trust and service you can rely on.

## Our Vision;

To become one of Bahrain's most trusted suppliers of safety equipment and industrial products by delivering exceptional quality, reliable service, and innovative supply solutions that contribute to safer and more productive workplaces.

## Our Mission;

Our mission is to supply high-quality safety equipment and industrial products while building lasting relationships through integrity, customer satisfaction, competitive pricing, and dependable service. We strive to help organizations maintain safe, compliant, and efficient working environments.

## Our Values

At MAK SAFETY AND GENERAL TRADING W.L.L, our values are built on quality, integrity, reliability, and customer satisfaction. We are committed to supplying trusted safety solutions that meet the highest standards of performance and protection. Through professionalism, transparency, and exceptional service, we foster long-term partnerships with our customers while consistently delivering value, reliability, and peace of mind across every workplace and project.

### Quality

We deliver certified safety products that meet the highest industry standards, ensuring durability, performance, and workplace compliance.

### Reliability

We provide dependable safety solutions and consistent service, helping businesses operate with confidence and peace of mind.

### Protection

We are committed to safe guarding people, assets, and workplaces through trusted products designed for maximum safety and security.

## What We do

# Reliable Products. Trusted Partnerships.

At MAK SAFETY AND GENERAL TRADING W.L.L, we are committed to providing high-quality PPE, industrial safety equipment, fire protection products, and general trading solutions that meet the diverse needs of our customers. Our strong focus on quality, reliability, competitive pricing, and customer satisfaction enables us to deliver trusted products and dependable service. We work closely with businesses across the construction, manufacturing, logistics, oil & gas, and commercial sectors, helping them maintain safe, efficient, and compliant working environments. Through our commitment to excellence and long-term partnerships, we strive to be a reliable supplier and trusted partner for all safety and industrial requirements.

### MAK Safety,

**MAK Businesses Group:** At MAK Safety, we believe that true protection goes far beyond basic compliance, standard regulations, and everyday safety gear. Safety is never just a checklist, a set of rules, or a piece of equipment to be worn—it is a sacred, unwavering commitment.

**MAK Businesses Group:** We operate on a single, powerful principle: MAK Safety is a promise. It is a profound commitment to guard your well-being on the job, secure your health every single day, and protect your family's future. We know that the choices made today impact the people waiting for you at home tonight.

**MAK Businesses Group:** When you choose MAK Safety, you choose a dedicated partner who ensures that every worker returns home soundly to their loved ones. We deliver absolute peace of mind by treating your family's safety with the exact same care, vigilance, and excellence as our own. Your trust is our responsibility, and our promise is your ultimate protection.
